CENTER LINE

GOLDEN ALE

ALC/VOL 5.0% IBU 35

INSIDE

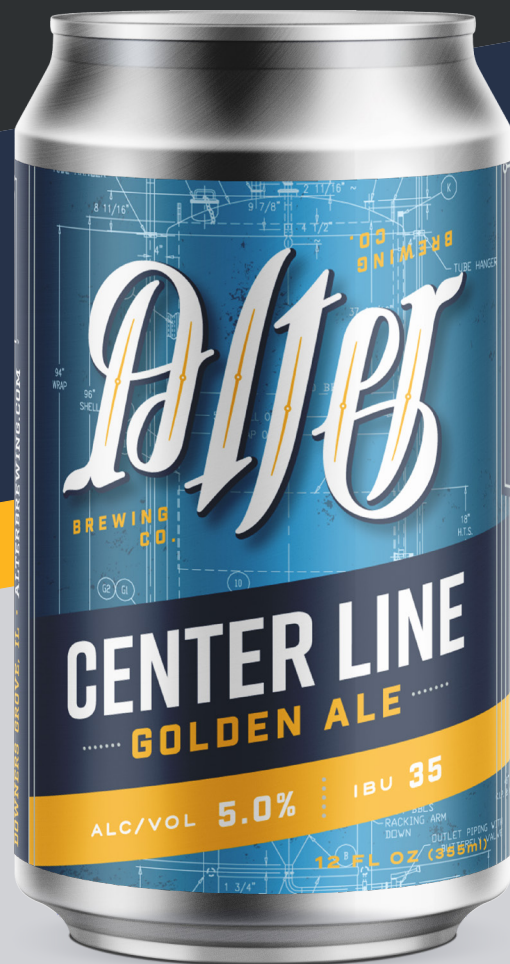

Malt: 2-Row, Munich, Vienna

Hops: Crystal, Tettnang

OUTSIDE

Pale straw/golden in color with a high degree of clarity. Light body.

Extremely well balanced between hops and malt, with little to no noticeable bitterness. Clean and crisp with a slightly dry finish.

6-PACK 12oz CANS

AVAILABILITY: 1/2 BBL • 1/6 BBL • 6-pk 12oz CANS

RIGHT DOWN THE MIDDLE

The name "Center Line" refers to a methodology of architectural design and construction wherein builders use center lines as starting points for measurements and placement.

Throughout the construction of our brewery, our facilities manager Doug could often be heard repeating "use the center line" to contractors. It became quite the inside joke, and eventually... the name of our second beer.
