AVAILABILITY: 1/2 BBL • 1/6 BBL • 6-pk 12oz CANS

BERGAMOT, SO HOT RIGHT NOW

We stayed local with this year's featured hop variety. Bergamot hops were sourced from Live Wire Hops, a part of the Great Lakes Hops Select Growers Association.

While a staggering majority of hops are grown in the Pacific Northwest, other regions like the Midwest are making their mark on the hops market, and we're happy to participate!
