AMBIGRAM

HAZY INDIA PALE ALE

ALC/VOL 6.5%

RECIPE

Malt: 2-Row, White Wheat, Oats

EXPERIENCE

Dry-hopped with the gold standard combo of Mosaic and Citra, with an extra oomph of Idaho 7, Ambigram delivers strong orange and tangerine aromas.

No fruit was needed in this beer as the brewing method gives it a juicy character. It's got just the right amount of sweetness, and its balance reminds you of its IPA roots.

TURNING IPA'S UPSIDE DOWN

One of Alter's founding principles is to change people's perceptions not only of what beer is, but what beer can be. Much like our ambigram changes how we look at logos, the hazy IPA has certainly done an incredible job of changing the way we all view IPA's.
